

MOTIP Shine & Protect

Ord.-no.: 000270

Quality & properties

- Water-repellent
- User-friendly
- Lasting gloss
- Antistatic
- Reduces the adhesion of dirt
- · Protects against weather influences
- Non polishing
- Contains silicones
- 360° valve

Technical Information

Clean and protect the carbon frame, fork and crank of your bike with MOTIP Shine & Protect. Shine & Protect is a maintenance product that cleans, protects and gives a lasting gloss finish. Shine & Protect is suitable for treating all lacquered and carbon bike parts. Shine & Protect reduces the adhesion of dirt and protects against all weather conditions.

Physical & chemical data

- Base: Polydimethylsiloxane
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Frame, Fork, Crank (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 3500/20 bar
- Relative density: 0.72 g/ml
- Storage stability: 1.5 y
- Content: 400 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly
- The aerosol should have room temperature.
- Best processing temperature 10 to 25°C.
- Before use, shake the aerosol
- Remove loose dirt. The surface should be dry.
- Apply Shine & Protect in a thin, equal layer.
- Allow to take effect for one minute and polish with a clean, dry cloth.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of August 17, 2022 – This release replaces all eventually earlier issued versions.
