

## MOTIP Tyre Repair

Ord.-no.: 000297

### Technical Information

Use MOTIP Tyre Repair for emergency repairs to your flat bike tyre, without removing the tyre. Tyre Repair is a rubber-based spray. Tyre Repair is ideal for small leaks or punctures and can be used without removing the tyre.

#### Quality & properties

- Easy to use
- Rubber based
- Can be used without removing the tyre

#### Physical & chemical data

- Base: Rubber-based
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Tyres (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 3500/20 bar
- Storage stability: 10 y
- Content: 75 ML

#### How to use

- Before use, carefully read the directions on the packaging and act accordingly
- The aerosol should have room temperature.
- Best processing temperature 10 to 25°C.
- Before use, shake the aerosol.
- Search the cause of the leakage and remove this. Completely let the tyre down. Screw the adaptor on the valve.
- Hold the can upside down and empty completely
- In order to enable the product to equally spread in the tyre, directly drive about ten minutes. Then remove the propellant from the tyre and again bring the tyre on pressure.
- When repairing the tyre, please indicate the tyre was temporarily repaired with Tyre Repair.
- Suitable to repair small leakages in the tyre.

#### Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

#### Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

#### Marking/Labeling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.
