

## MOTIP Silicone Spray

Ord.-no.: 000283, 000294

### Technical Information

Protect the mudguard, frame and other plastic or lacquered parts of your bike with MOTIP Silicone Spray for bikes. Silicone Spray prevents squeaking and creaking of plastic parts. Silicone Spray is water-repellent, weather-resistant and has good mechanical and thermal stability.

#### Quality & properties

- Excellent adhesion
- Water-repellent
- Moisture repellent
- Prevents creaking and squeaking of plastic parts
- Outstanding mechanical and thermal stability
- Resistant to weather influences
- Resistant to weak acids and bases
- Directed jetspray

#### Physical & chemical data

- Base: Polydimethylsiloxane
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Mudguards, Frame, Stand, Electrical connections, Fork, Lock, Side wheel (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 3500/20 bar
- Relative density: 0.95 g/ml
- Storage stability: 10 y
- Content:
  - 400 ML
  - 200 ML

#### How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- The aerosol should have room temperature
- Best processing temperature 10 to 25°C.
- Before use, shake the aerosol.
- Apply the silicone spray in a thin layer.
- Optimum lubrication is obtained after evaporation of the solvent (approximately 1 minute).

#### Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

#### Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

#### Marking/Labeling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.
