

MOTIP Chain Oil Ultra

Ord.-no.: 000279

Technical Information

Lubricate the chain and sprockets of your bike, touring bike or electric bike with MOTIP Chain Oil Ultra. The lubricant is extremely suitable in heavy weather conditions such as rain. Chain Oil Ultra has a high viscosity and therefore bonds better when used in wet conditions. Chain Oil Ultra is water repellent, prevents wear and is resistant to all weather conditions. In dry weather conditions, we recommend Chain Oil Sport.

Quality & properties

- Very low friction factor for minimal resistance
- Outstanding lubricating properties at heavy load
- Prevents wear
- Reduces the adhesion of dirt
- Resistant to weather influences
- Water-repellent

Physical & chemical data

- Base: Synthetic oil
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Chain and gear wheels (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Flash point: 174 °C
- Relative density: 0.88 g/ml
- Storage stability: 10 y
- Content: 100 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- Best processing temperature 10 to 25°C.
- Clean the chain and the gear wheels. Apply the chain oil in two thin layers.
- For an optimum result, slowly rotate the chain after treatment.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labeling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of August 17, 2022 – This release replaces all eventually earlier issued versions.
