

MOTIP Degreaser

Ord.-no.: 00185, 00186

Technical Information

Use MOTIP Degreaser to remove silicones, tar and wax from various surfaces to pre-treat repairing any damage on your car. Degreaser cleans treated and untreated parts of metal and various types of plastic. Degreaser has high dissolving properties, is non-conductive and non-corrosive and leaves no residue.

Quality & properties

- High dissolving properties
- Removes silicones, tar and wax
- Leaves no residue
- Non-conductive
- Non-corrosive

Physical & chemical data

- Base: Organic solvents
- Colourname: transparent
- Smell: Characteristic
- Surfaces: Treated and untreated metal and various types of plastic
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 85/20 bar
- Flash point: -19 °C
- Storage stability: 10 y
- Content:
 - ◊ 200 ML
 - ◊ 500 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- The aerosol should have room temperature. Best processing temperature 10 to 25°C. Before use, shake the aerosol.
- Apply the degreaser on a cloth and clean the parts to be treated.
- Repeat the treatment, until the contamination has disappeared.
- Before cleaning treated parts of metal or plastic, we advise to test the compatibility of the surface.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labeling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of August 17, 2022 – This release replaces all eventually earlier issued versions.
